Uncollected Child

If a child is not collected by closing time, or the end of the session and there has been no contact from the parent/carer, or there are concerns about the child's welfare then this procedure is followed.

- The designated safeguarding lead is informed of the uncollected child as soon as possible and attempts to contact the parents/carers by phone.
- If the parents/carers cannot be contacted, the designated safeguarding lead uses the emergency contacts to inform a known carer of the situation and arrange collection of the child.
- After one hour, the designated safeguarding lead will call Children's Services on **0300 123 4043** if the parents/carers or other known carer cannot be contacted and there are concerns about the child's welfare or the welfare of the parents/carers.
- The designated safeguarding lead should arrange for the collection of the child by social care.
- Where appropriate the designated safeguarding lead should also notify police.

Members of staff DO NOT:

- go off the premises to look for the parents/carers
- leave the premises to take the child home, or to another carer
- offer to take the child home with them to care for them in their own home until contact with the parent/carer is made

- a record of conversations with parents/carers should be made and recorded on the child's file with parents/carers being asked to sign and date the recording.
- a record of conversations with parents/carers should be made and recorded on the child's file with parents/carers being asked to sign and date the recording.
- This is logged on the child's personal file along with the actions taken. A Record of Concern form should also be completed if there are safeguarding and welfare concerns about the child, or if Social Care have been involved due to the late collection.
- If there are recurring incidents of late collection, a meeting is arranged with the parents/carers to agree a plan to improve time-keeping and identify any further support that may be required.
